

Potty Training

Readiness checklist

- ☒ Your child seems interested in the potty, toilet or in wearing underwear instead of diapers.
- ☒ Your child can understand and follow basic instructions.
- ☒ Your child can walk.
- ☒ Your child stays dry for at least two hours during the day.
- ☒ Your child is capable of pulling his pants up and down.
- ☒ Your child signals when he needs to go.
- ☒ Your child informs you when his diaper is wet or dirty.

If most of the above is checked then you are ready to start potty training!
